Pro Formula

The Pro Formula product range combines the familiarity of a recognised brand with the cleaning power needed for the demands of a business. Those demands can often cost a business valuable time and if not addressed correctly can cost a business its reputation and customer base.

Our Pro Formula products utilise over 50 years professional cleaning knowledge and experience from Diversey with one of the world leading laundry and surface cleaning consumer goods brands.

The range consists of products which target the truly professional business needs with professional formulations and in addition have the backup resources from Diversey through an end user portal.

By giving you excellent cleaning results first time, every time, you can have the time and peace of mind to be able to focus on your core business such as serving your customers or caring for your residents.
